

Dear International Partners,

The registration for our English minor programmes is open. You will find more information in the brochures attached. Please follow the procedures through the following links:

For the minor Paediatric Physiotherapy:

<http://www.avans.nl/international/programs/programfinder/paediatric-physiotherapy/introduction>

Registration can be done through these links as well. If you have any questions, please do not hesitate to email me.

Warm regards and hope to welcome your students in the Spring Semester

René Teunissen
