

Dear international partner

With this e-mail we are glad to provide the necessary information for students wishing to apply for a student exchange period at PXL University College.

Course information

The brochure in the attachment gives an overview of all the courses for international students. For more information on the content of the courses we refer to the ECTS files. See www.pxl.be/international > [International Courses](#).

Application procedure

The application procedure is online. See www.pxl.be/international > [Application](#).

The student has to fill in and upload the following documents:

- Application form (fill in, download, sign and upload)
- Learning agreement (fill in, download, sign and upload)
- Certificate of English proficiency level B1, except for native speakers and students applying for Erasmus Belgica (upload)
- Students applying for courses in Arts and Design (PXL-MAD) and Music (PXL-Music) have to submit an extended electronic artistic and personal portfolio. For PXL-MAD, this portfolio presents professionally a minimum of 20 arts works (upload)
- Student applying for a project or work placement at PXL-Tech have to submit a CV and a transcript of records (upload)

For help with the online application procedure we refer to the guidelines on www.pxl.be/international > [Application](#).

Students don't have to send documents by ordinary mail. (Except if you need documents with original signatures for visa reasons.)

Application deadlines

All documents should be **filled in, signed and uploaded** before

- 01/06/2016 for students applying for the Autumn semester or a full academic year
- 01/11/2016 for students applying for the Spring semester

Academic Calendar

The academic calendar of 2016-2017 can be found on www.pxl.be/international > [Study@PXL > Academic Information](#).

Summer Schools

Exchange students can add a summer school to their study period:

- Summer School English: 12/09/2016-16/09/2016
- Summer School IC4Life: 05/09/2015-15/09/2016 (limited places, participation fee)

Housing

PXL does not have a student residence. Students have to find accommodation on the private market in Hasselt or Diepenbeek. Our housing service can assist in finding appropriate accommodation. See www.pxl.be/international > [Study@PXL > Student Services](#).

Visa

It is strongly recommended to start the visa process (if applicable) as soon as the students have received the acceptance letter, in order to avoid any delay. The sooner we receive the fully

completed applications, the sooner students will be able to receive the acceptance letter and start the visa process.

Contact

For more information on the study programmes, you can contact the departmental coordinator international relations. See www.pxl.be/international > [Contact](#).

Another fine day@PXL

<https://www.youtube.com/watch?v=xy8iCXKqdbk>

Good luck with the application.

Joep Grosemans(Nurse department), Lies Willems(Midwife department), Mimi Market(Occupational Therapy department)

Kind regards
